Latest Update: February 10, 2025

## Education

**Ph.D.(Enrolled) in Economics** *University of Chinese Academy of Social Sciences* 09/2024 - 06/2029(expected)  
**B.A. in Economics** *University of Chinese Academy of Social Sciences* 09/2020 - 06/2024

## Research Interests

My research interests focus on **social security**, **microeconomic theory**, **health economics** and **public economics**. Recently, I have been working on some research related to public policy evaluation, mathematical methods of economics, medical insurance research, fiscal and tax policies, etc.

## Working Papers

- **Medical Insurance Payment Reform, Moral Hazard, and Medical Cost Control: Evidence from Bunching-DID** (2024, with Zhenglong Cong, Chenxu Ni and Zhen Wang)
- **Land Finance and Government Implicit Debt: Evidence from Bunching** (2023, with Zhenglong Cong)

## Other Projects

- **Egg in beer: Research on Government-Market Interaction in the Transformation of Land Finance in China** (2023 College Students Innovative Training Program, with Pengchen Li and Lijun Zhou)
- **Fiscal Incentives, Market Integration, and New-Type Urbanization: Research on "County-to-District Conversion" based on Staggered DID** (2022 Term Paper on Econometrics, with Dengqing Han)
- **Public Sentiment, Associated Reporting, and Stock Price Volatility** (2022 UCASS Students Innovative Training Program, with Zhenglong Cong and Dengqing Han)
- **Intergovernmental Transfers, Market Integration, and Equitization of Basic Public Services** (2022 Term Paper on China's Economy, with Dengqing Han)
